### **TractionSpace Announces Partnership with South Sound/Tacoma SCORE**

**(TACOMA, WA)** – TractionSpace is pleased to announce a new partnership with South Sound/Tacoma SCORE to offer basic business education workshops and drop-in mentorship sessions at TractionSpace, located at 748 Market Street in Tacoma. As part of this partnership, the South Sound Tacoma chapter will be relocating to TractionSpace.

“We are proud to partner with an organization that is widely known and respected for its high impact in the business community,” said TractionSpace Partner and CEO Don Morrison. “We believe that working together, we can improve the odds of small business success in the South Sound.”

SCORE will participate in the TractionSpace [mentorship program](#) by hosting free drop-in office hours for TractionSpace members. SCORE will also continue to offer its mentorship services to the business community at large out of its new location at TractionSpace. “Our Partnership with TractionSpace will give us the ability to scale our services to a much broader audience,” said South Sound/Tacoma SCORE Chapter Chair, Jeff Freedman. “We're seeing an unprecedented amount of start-up activity here in Tacoma. We need organizations focused on taking those businesses to the next level. We believe that TractionSpace is remarkably well-suited to fill that need.”
