Networks

Startup 253 is Tacoma's home for the startup community. It brings together entrepreneurial leaders, venture capital, corporations and local government to advance the South Sound region to become the best home for innovation and creative new companies.

<https://startup253.com>

New Tech Tacoma is a sister organization to New Tech Northwest and offers bi-monthly meetups for entrepreneurs, angel funders, tech employers and interested members of the public.

<https://www.meetup.com/NewTechTacoma/>

Local venture funds: *(many venture funds invest in Pacific NW companies – do your research as funding may not have to be local and many funds target certain types or stages of company. Due to the number of funds available, we are only listing funds geographically located in Tacoma.)*

Tacoma Venture Fund – champions early stage companies generating scalable innovations, disruptive ideas, job creation and community impact with an emphasis on South Sound entrepreneurs.
